WRITES PLAIN TO GOMEZ ON BRUTAL SPORT LAWS

American Humane Society President Uses Straight Language to Cuban President.

(By Associated Press.)

NEW YORK, July 12.—A plain spoken letter to Jose Miguel Gomez, president of the republic of Cuba, was given out here today by W. C. Stillman, president of the American Humane Society.

President Stillman notes that one house of the Cuban congress has passed a law authorizing a concession for bull fights, cock fighting and gambling. In comment he adds:

"It is unnecessary to remind you that the most enlightened countries no longer regard it as manly or cultured or necessary for the development of a proper national character that the people of a country should be permitted to indulge in sports which are bloody and brutal.

"Just so surely as the people of Cuba are allowed to be debauched by degrading sports and sanctioned gambling, so certainly will their moral character become more and more demoralized until Cuba will cease to be a self-governing nation and become merely an annex to some strong government with higher ideals and true moral fibre."

SCRATCHED SO SHE COULD NOT SLEEP

"I write to tell you how thankful I am for the wonderful Cuticura Remedies. My little niece had eczema for five years and when her mother died I took care of the child. It was all over her face and body, also on her head. She scratched so that she could not sleep nights. I used Cuticura Soap to wash her with and then applied Cuticura Ointment. I did not use quite half the Cuticura Soap and Ointment, together with Cuticura Resolvent, when you could see a change and they cured her nicely. Now she is eleven years old and has never been bothered with eczema since. My friends think it is just great the way the baby was cured by Cuticura. She was taken with the eczema when two years old. She was covered with big sores and her mother had all the best doctors and tried all kinds of salves and medicines without effect until we used Cuticura Remedies. Mrs. H. Kierman, 681 Quincy St., Brooklyn, N. Y., Sept. 27, 1909."

Biliousness

"I have used your valuable Cascarets and I find them perfect. Couldn't do without them. I have used them for some time for indigestion and biliousness and am now completely cured. Recommend them to everyone. Once tried, you will never be without them in the family."—Edward A. Marx, Albany, N. Y.
